

Name: Shubham Rajendra Chemate

Class :- SE-1

Roll No :- 21118

Subject: Code of Conduct

COC ASSIGNMENT 2 WORKPLACE ETHICS

Purpose - Impress upon the students, the significance of morality .

Method – Role play a professional situation where an engineer is not competent and is trying to copy the work of a colleague and claim credit for that work. Ask observing students to react to that situation. Alternatively, a short video that clearly shows unethical behaviour can be played and ask viewers their opinion about the situation.

Outcome – Incite students to contemplate their own immoral behaviour in public space or academic environment (like copying homework or assignment). Will coax students to introspect their own values and encourage them to choose the right path

Place : Virtual meet using Microsoft teams.

Time : 10:00 am to 11:00 am

Team members: Aditya Sonavne 21101

Swapnil Chawan 21116

Shubham Chemate 21118

Details of the activity –

- First of all, the activity was explained to us in detail. The dos and don'ts were mentioned right at the beginning. We were suggested some innovative ideas as well for role playing.
- Next up, we started preparing the for the assignment. Our team distributed work for finding the video clip showing workplace ethics and setting questions for the audience.

- During our turn, we presented the video and paused it a certain time before the Learning objectives of the video was explained. We asked questions to audience about what they think about the situation and what all did they learn from it.

Learning Points –

1. We learnt about the correct practices to be followed at workplace
2. We got to know more about how to approach a problem at workplace and how do we find a good solution to it with team work.
3. We learnt correct behaviors to be followed at workplace like respecting the experienced people in industry, understanding other person's point of view and many more such.

Photo of our activity conducted –

Conclusion – We got to learn a lot from this assignment. This assignment helped us in knowing as the ways to handle corporate problems. It also helped us to understand the importance of good ethics .
