Batch: E-1

## Professional Code of Condut 1500

On wednesday 10-feb, we have conducted group discussion on professional code of conduct During discussion cach student was showing one good practice which has been followed in his her family from a long time we all discussed the reasons and benefits [ mental & physical ) of that autivity & computed how can once take advantage from that

Many of my Friends shared good practices like steeping early & wake up early, coting dinner with all family members etc. I have also shared the proutice that has been followed in my family some my childhood. In my family ne have mall temple of shiving, we all every morning after both do the prayer and from there every one goes to there respective work. This autivity I prantice gives us feel of uniferien as a family, generate lots & lots of positive vibes & start our day with positive thoughts. Due to this, empreument is my family is happy & fresh & everyone always respect each others thoughs. It gives us power to face difficulties

This activity was really a good introduction to professional code of conduct, how it is followed of mountained. The activity was carried and on ms Teams platform of I really employed it.

Due to this activity we get aware about

importance of professional code of conduct, Have good things are followed & how much they are diversified a Due to group discussion I got chance to share my opinions about various proutices of get the chance know about various boutgrounds & august of daily life.  I'm slive this will really help me in my professional as well as professional life.	FIG., FORE
